Guarantees & Liabilities

The guarantees in all cases are subject to the products being installed in accordance with British and or European standards as well as these fitting instructions. The guarantees in all cases are restricted to the free of charge replacement or repair of the failed product only. Our liability will under no circumstances extend beyond the repair or replacement of the product supplied by us. Claims for either labour in replacement or damage to property are not admissible. Any goods that are returned, in the event of a problem, will belong to the company.

Terms & Conditions

All products must be inspected once removed from the packaging and the company notified within 28 days of delivery of any scratches, blemishes or other damage. The company will then replace the radiator.

Imperfect radiators should therefore not be fitted and company will not accept responsibility for replacement of scratched or damaged radiators once they have been fitted. This includes any consequential loss or cost of fitting.

If the company are not notified within 28 days of the date on the signed delivery note then it will be deemed that the company have fully complied with its obligations and claims will not be considered.

Failure to comply with any of the above may invalidate any claims.

We recommend that after you check the product on delivery that it is stored in its packaging to prevent damage prior to installation. The company cannot accept responsibility for items damaged after delivery.

Please Note: this radiator can only be installed horizontally on the floor and cannot be installed in a bathroom. Please read these instructions and terms and conditions carefully prior to installation. Failure to do so may invalidate the warranty.
